

# Simulation Setup

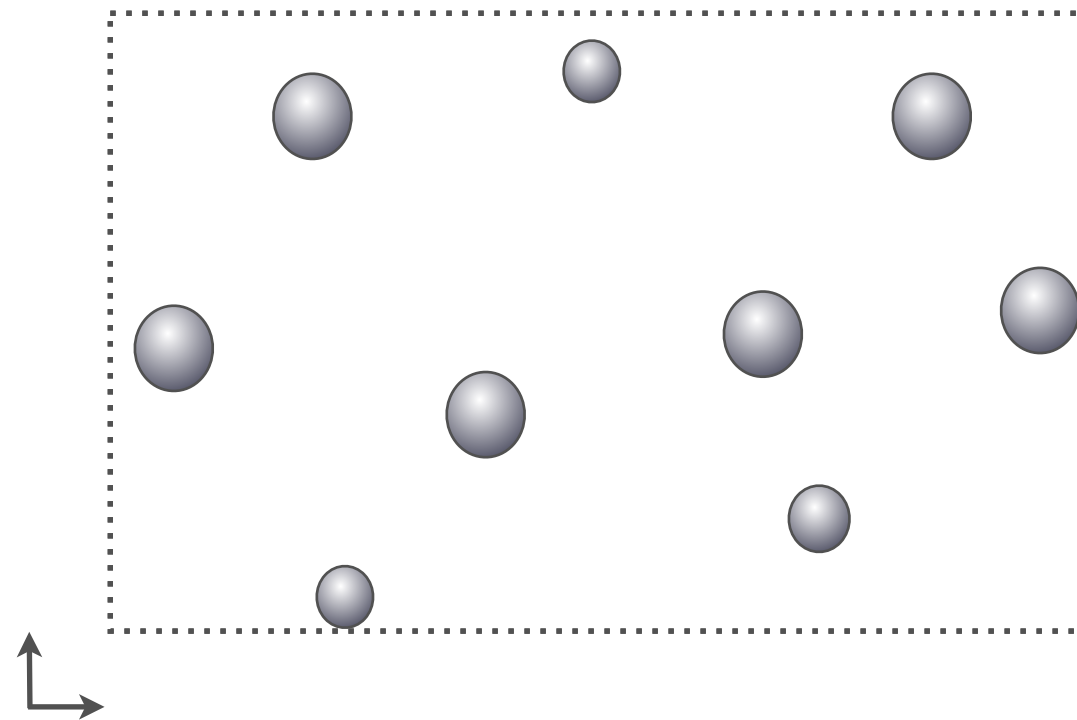

random initialization

defined area

# Simulation Setup

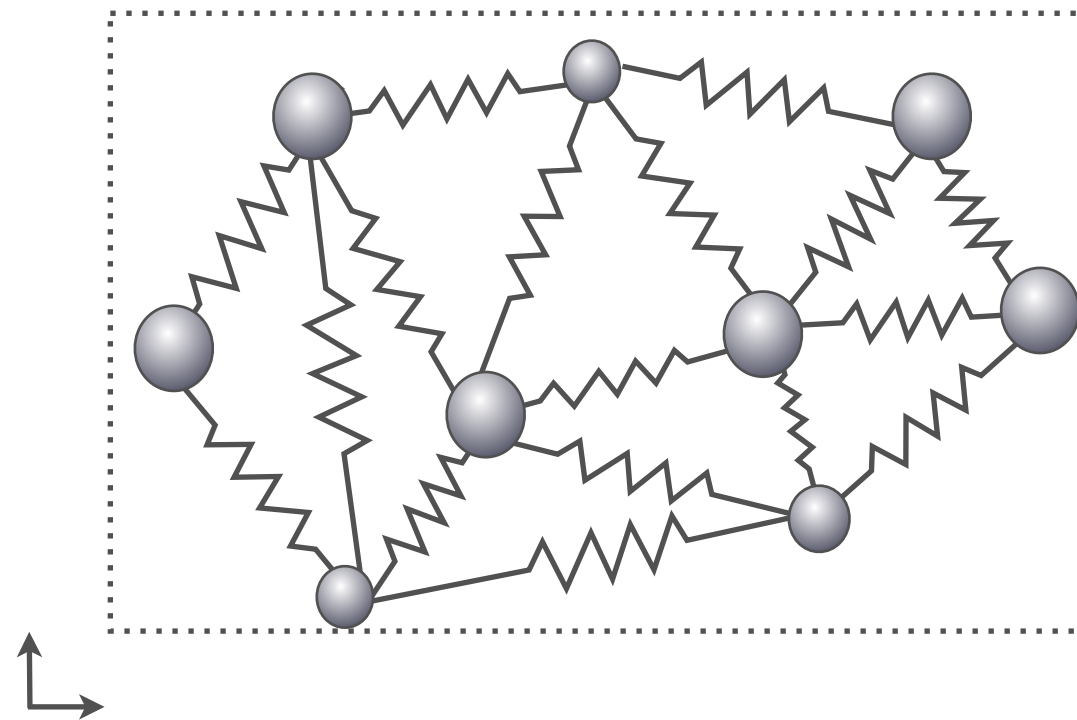

random initialization

random positions & masses

# Simulation Setup

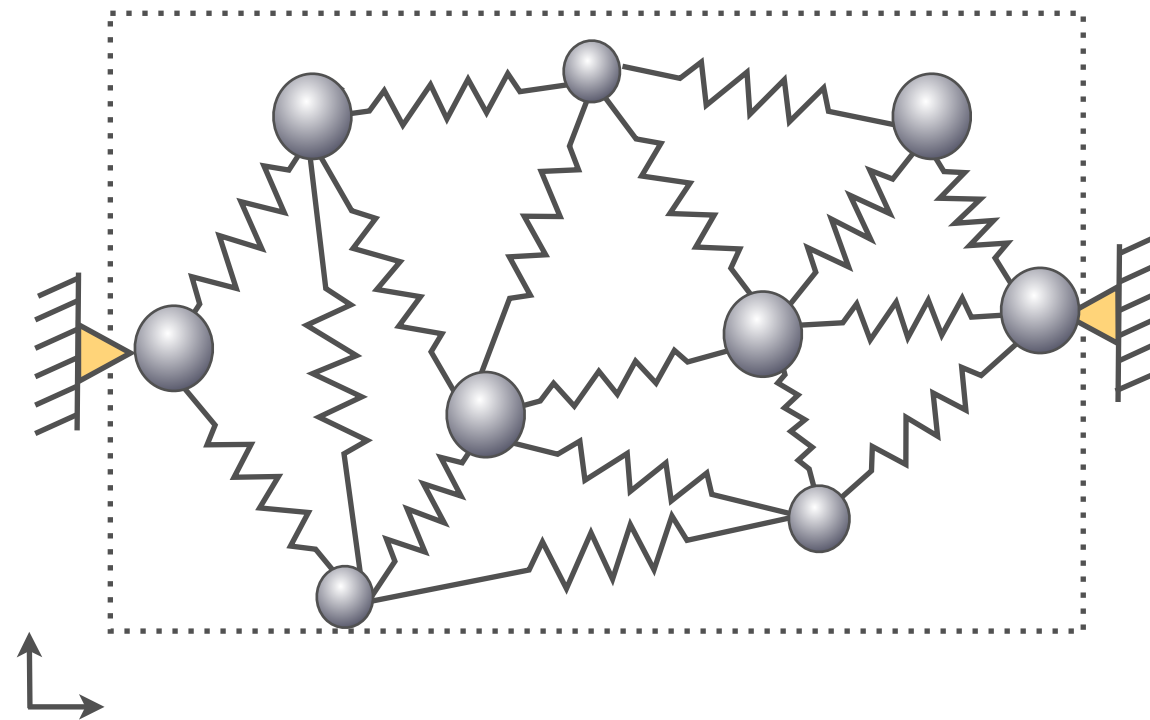

random initialization

Delaunay triangulation

# Simulation Setup

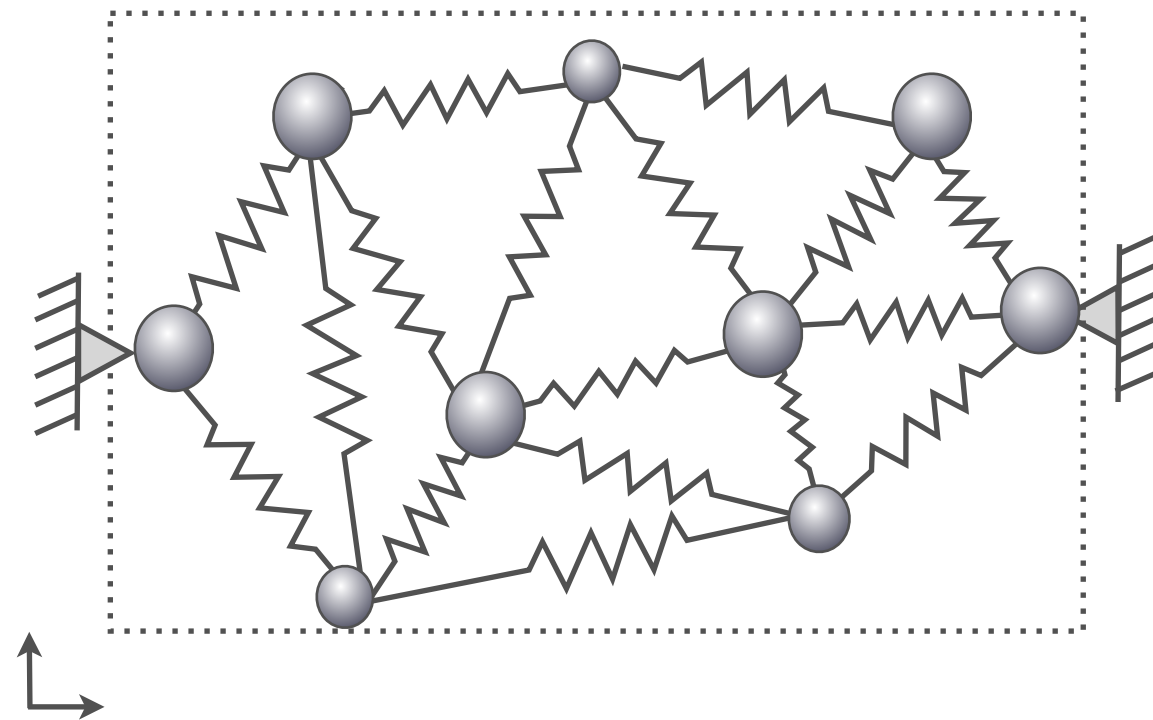

random initialization

fixing extreme points

# Simulation Setup

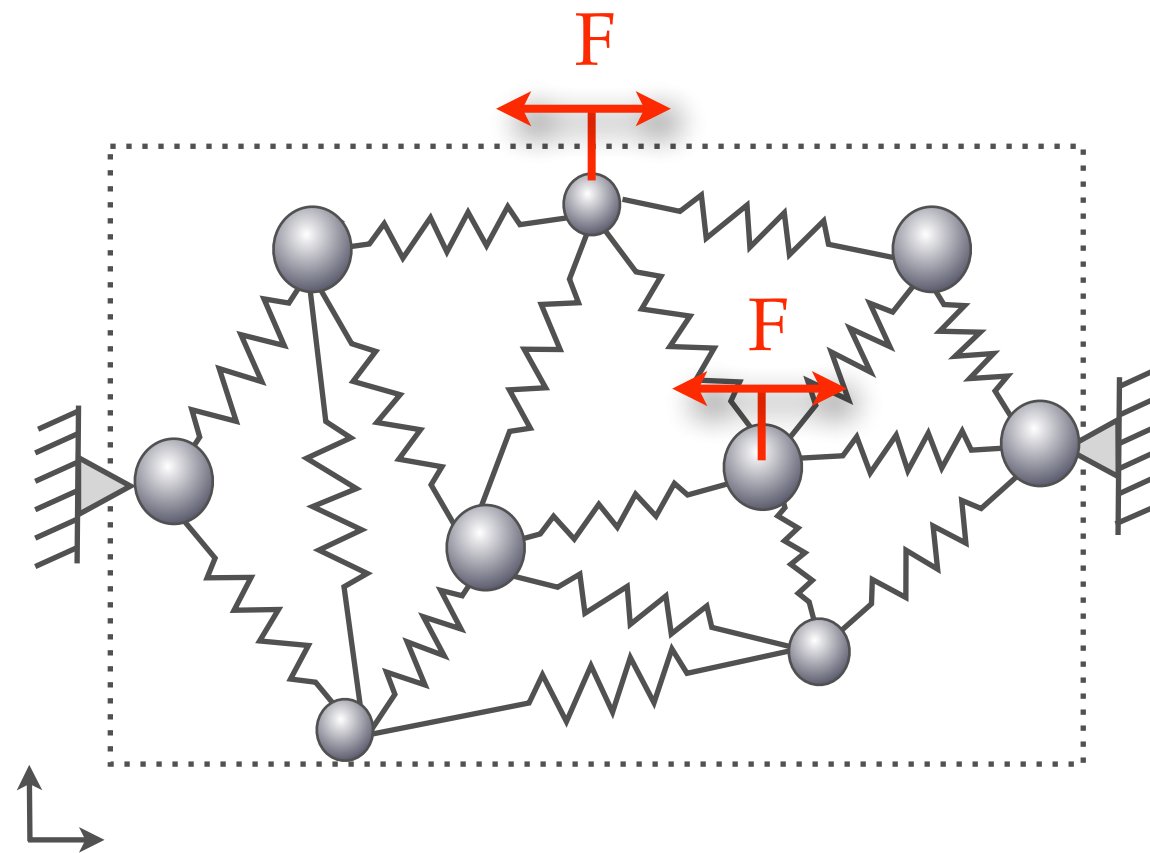

random initialization

fixing extreme points

# Simulation Setup

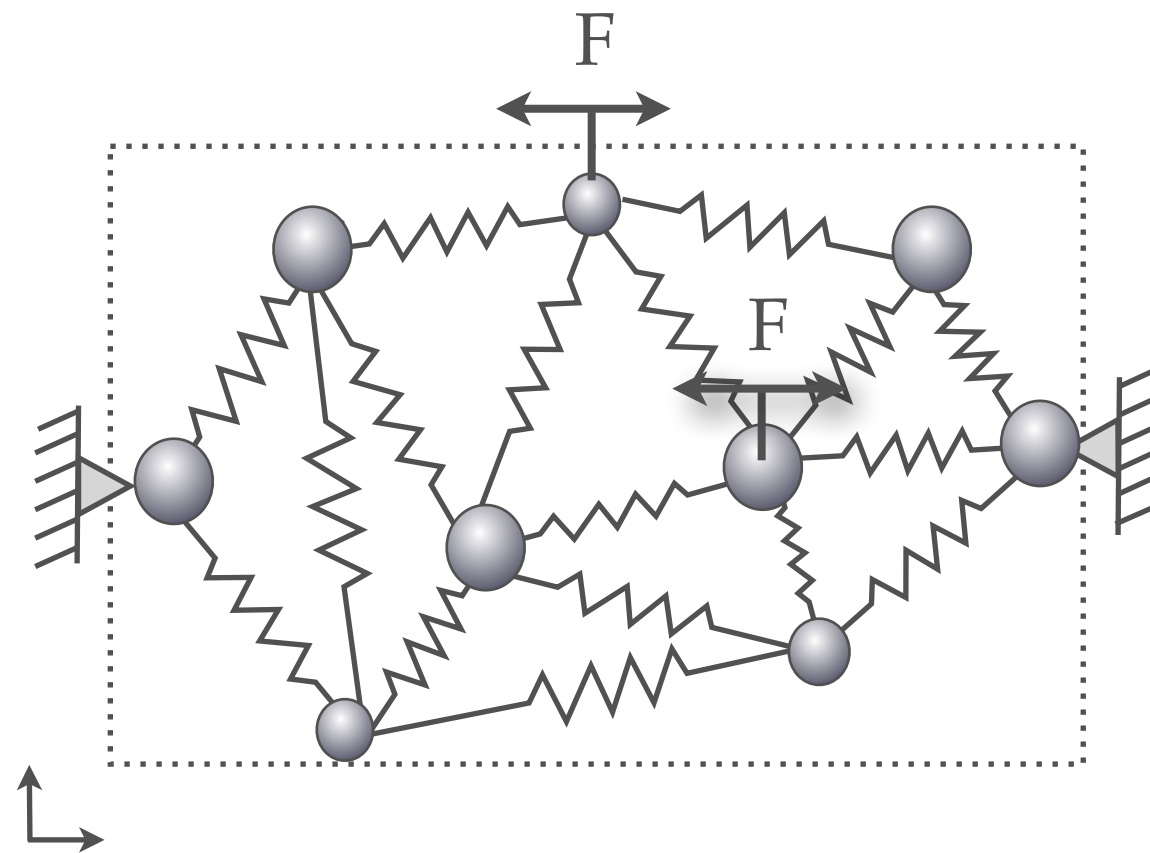

random initialization

randomly chosen **input** points

# Simulation Setup

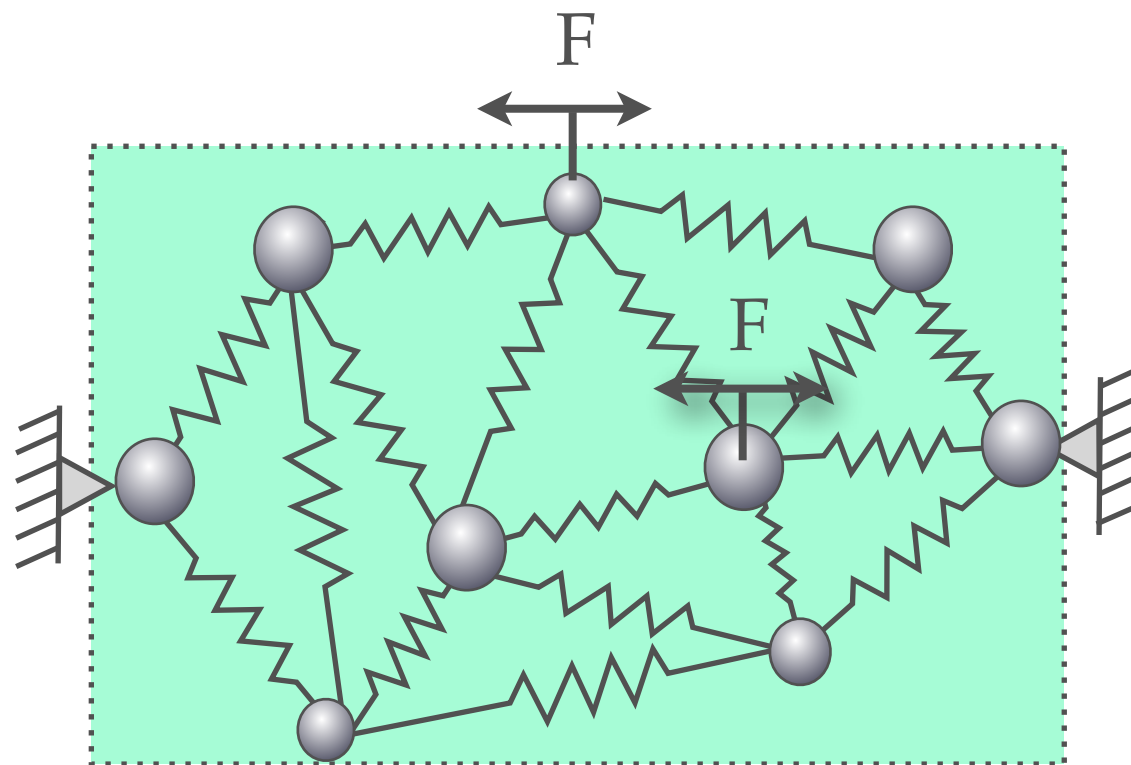

random initialization

randomly chosen **input** points

# Simulation Setup

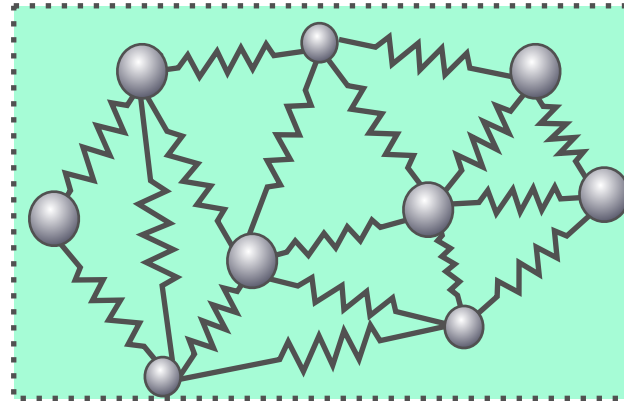

random initialization

complex, dynamic system with  
randomly initialized parameters

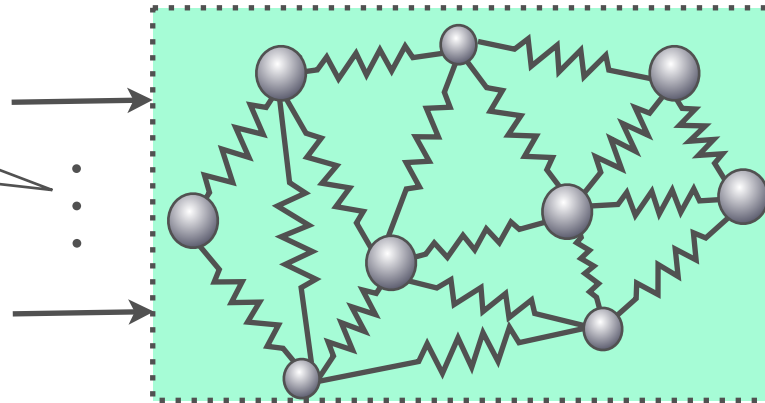

# Simulation Setup

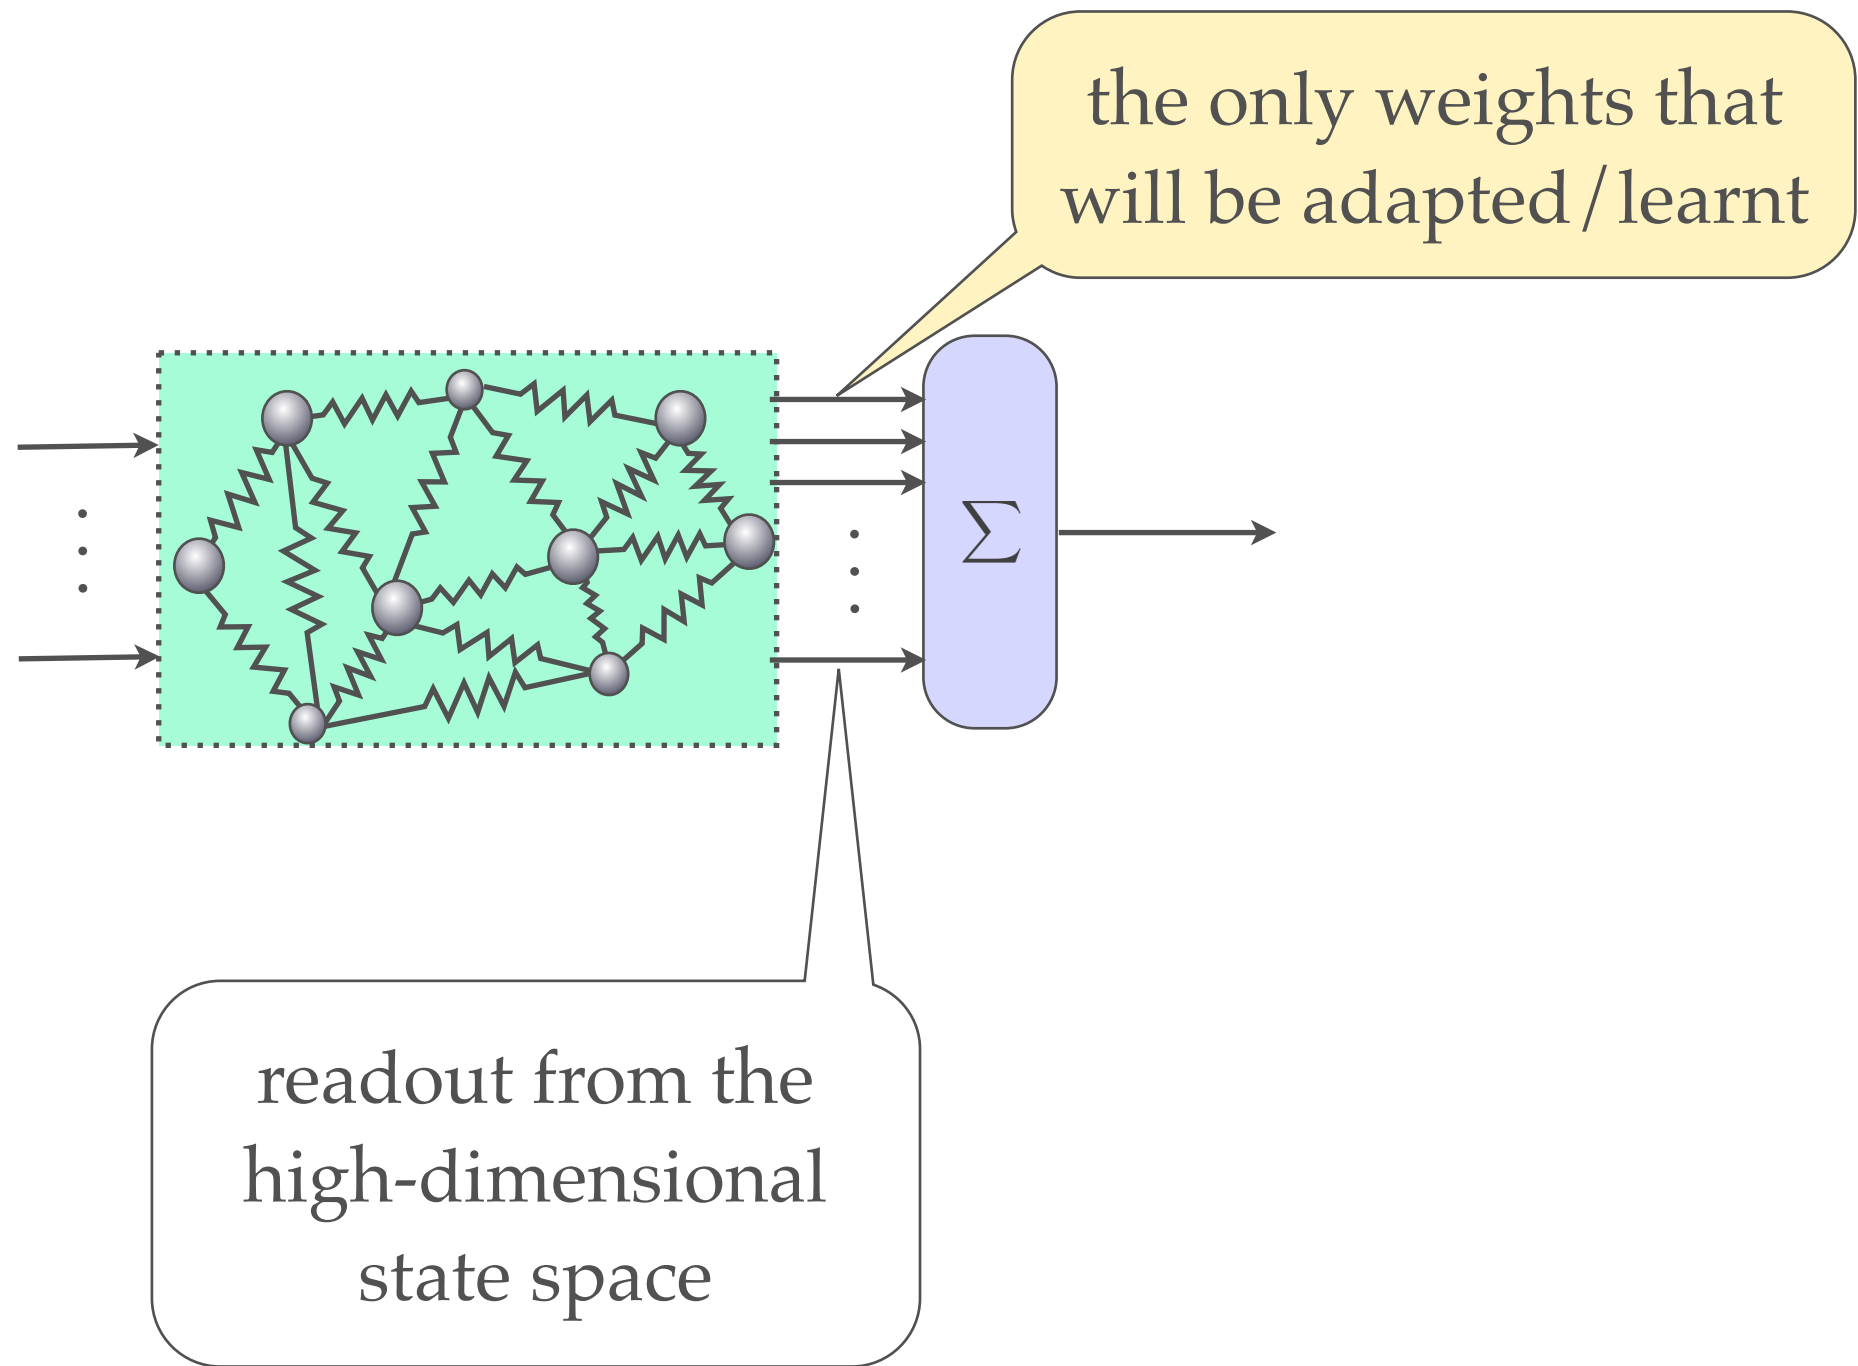

# Simulation Setup

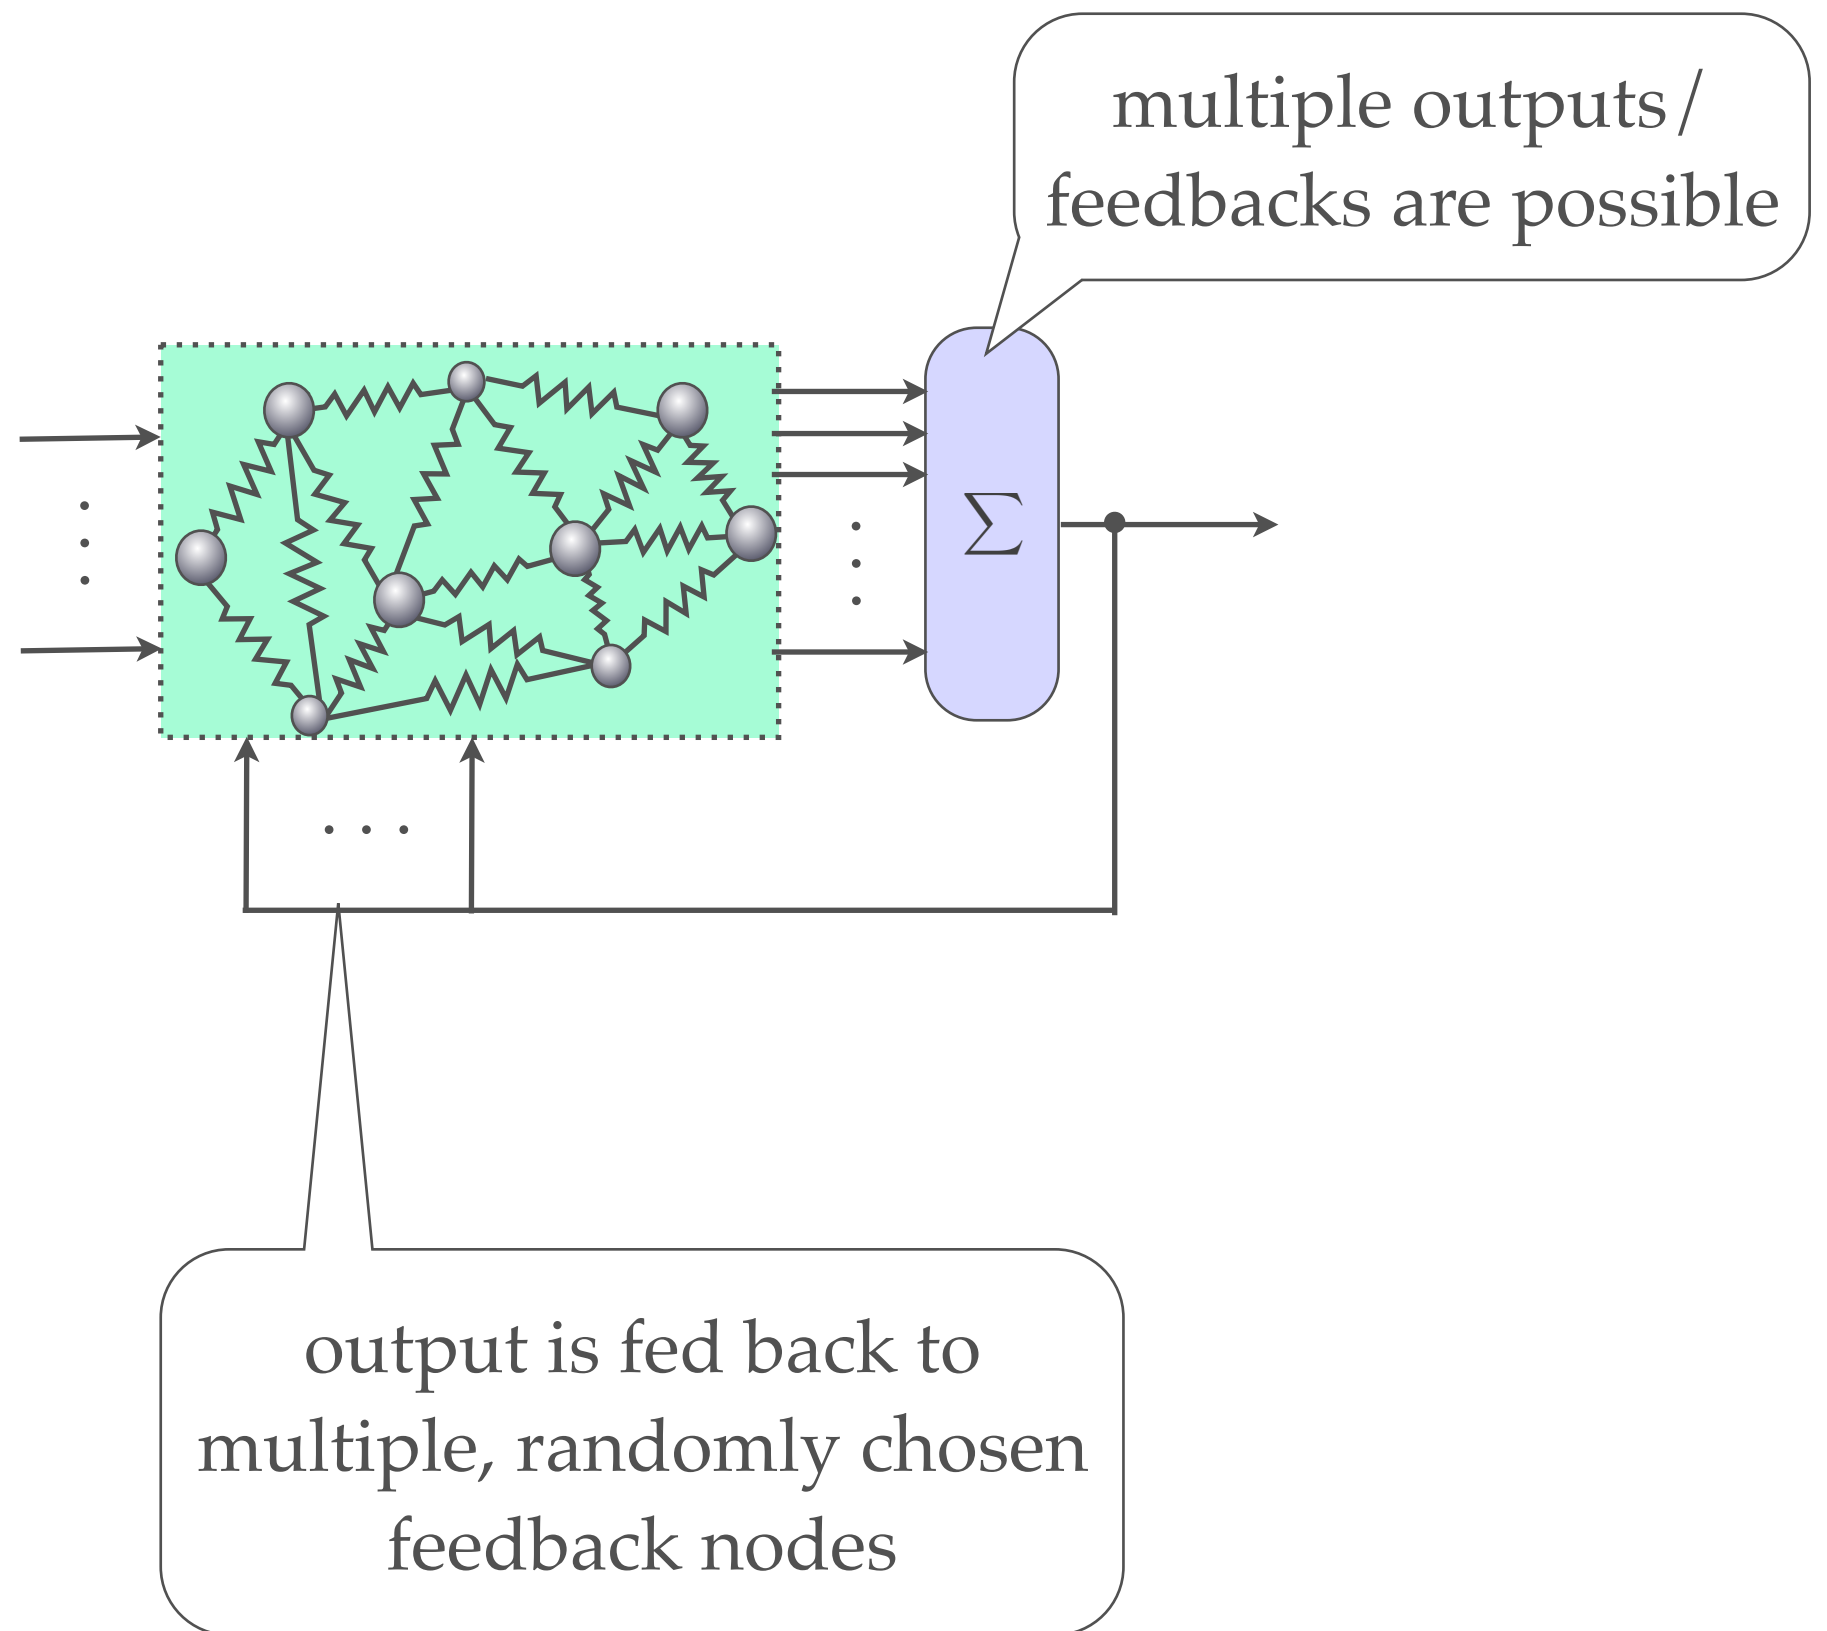

one, multiple  
or no inputs

# Simulation Setup

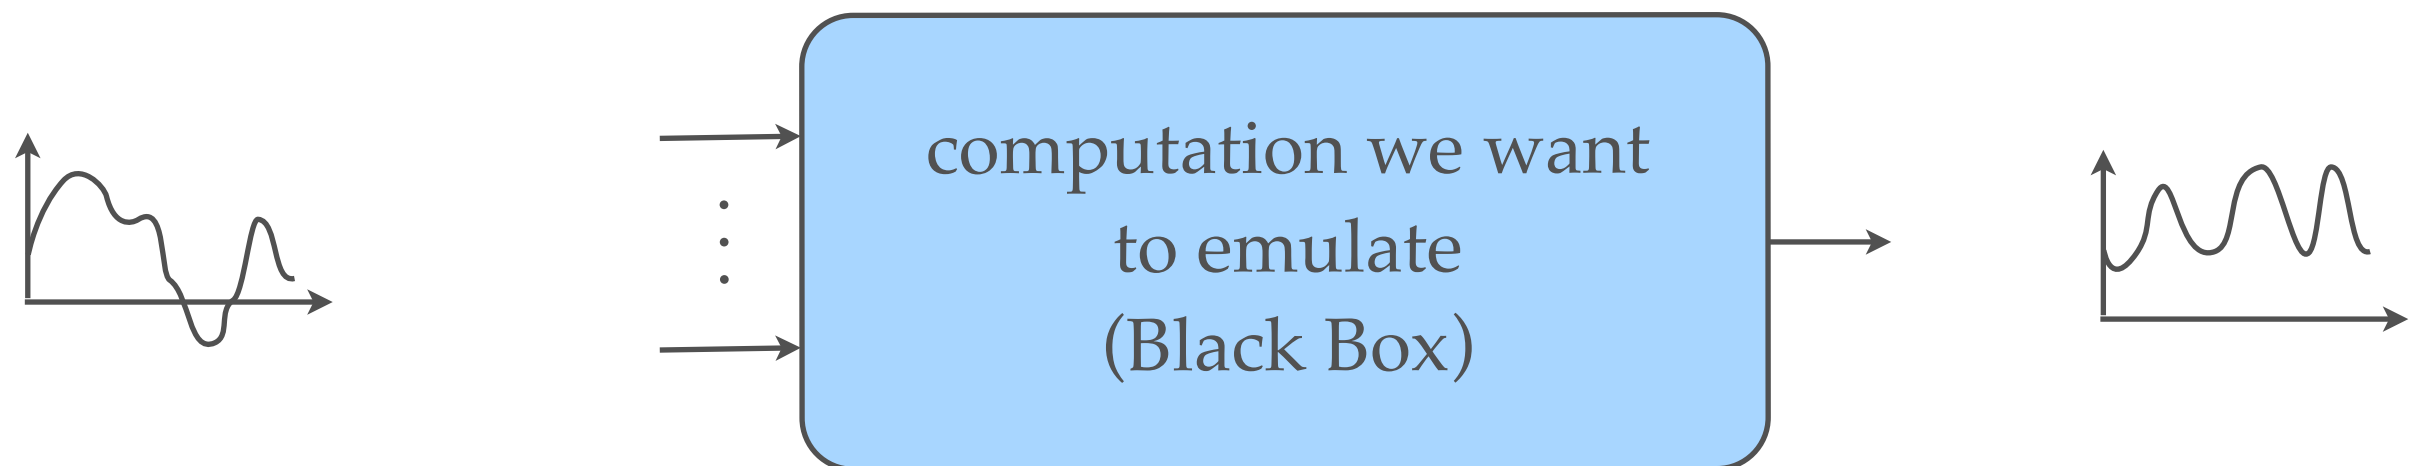

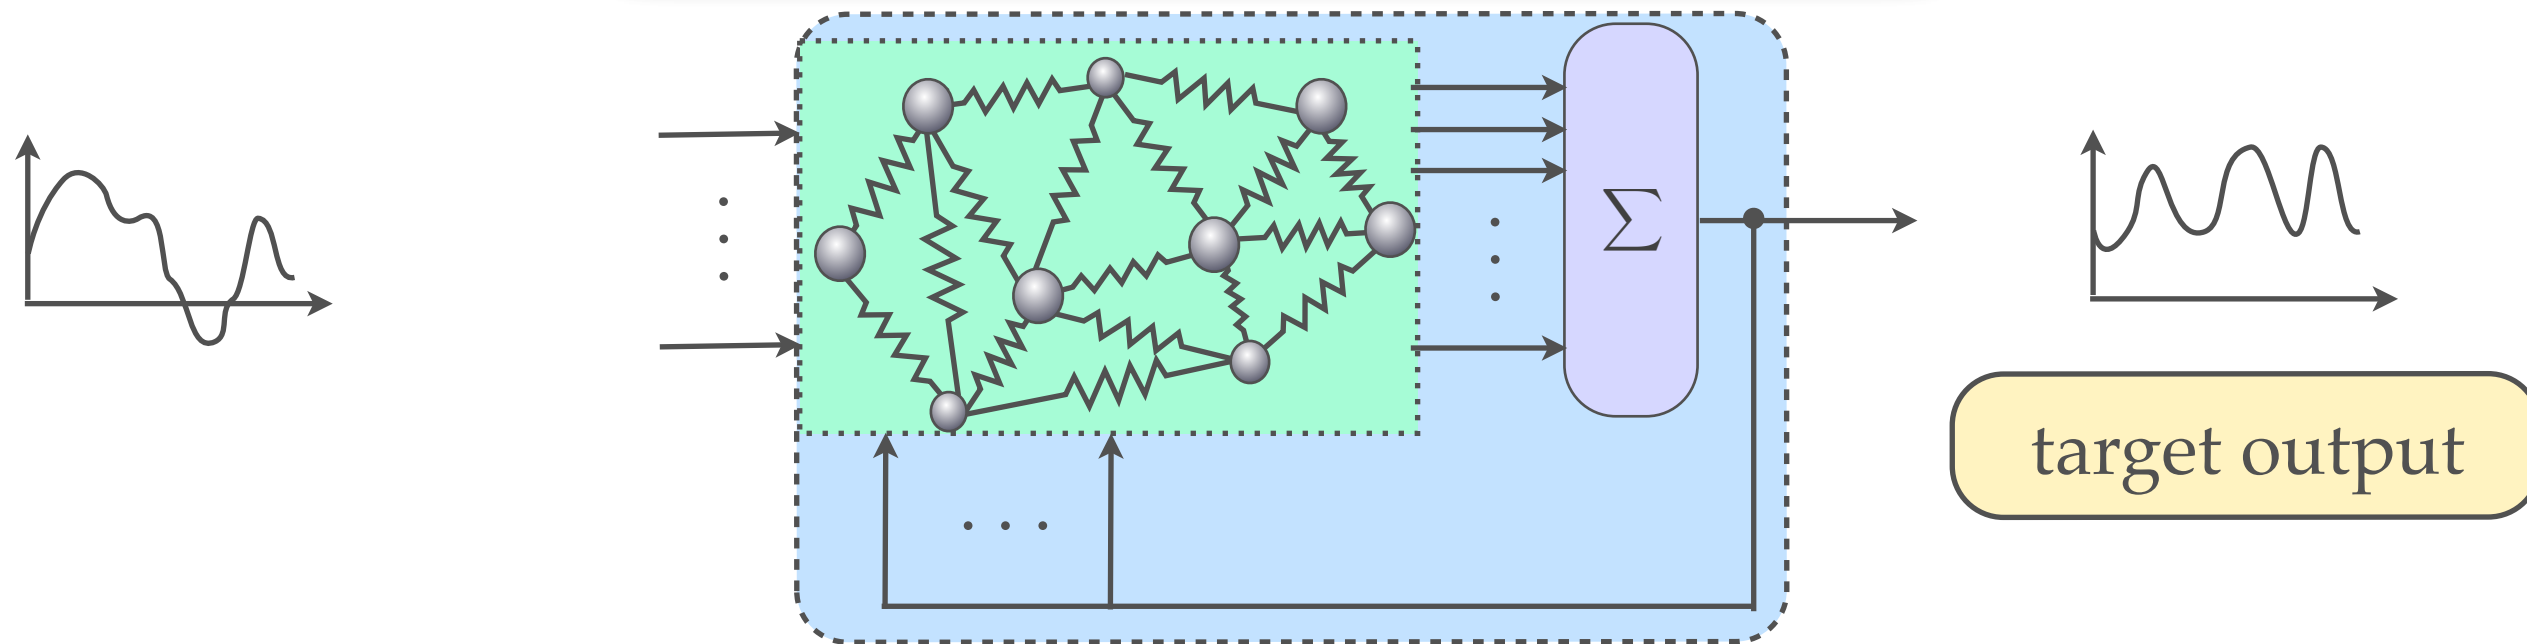

# Simulation Setup

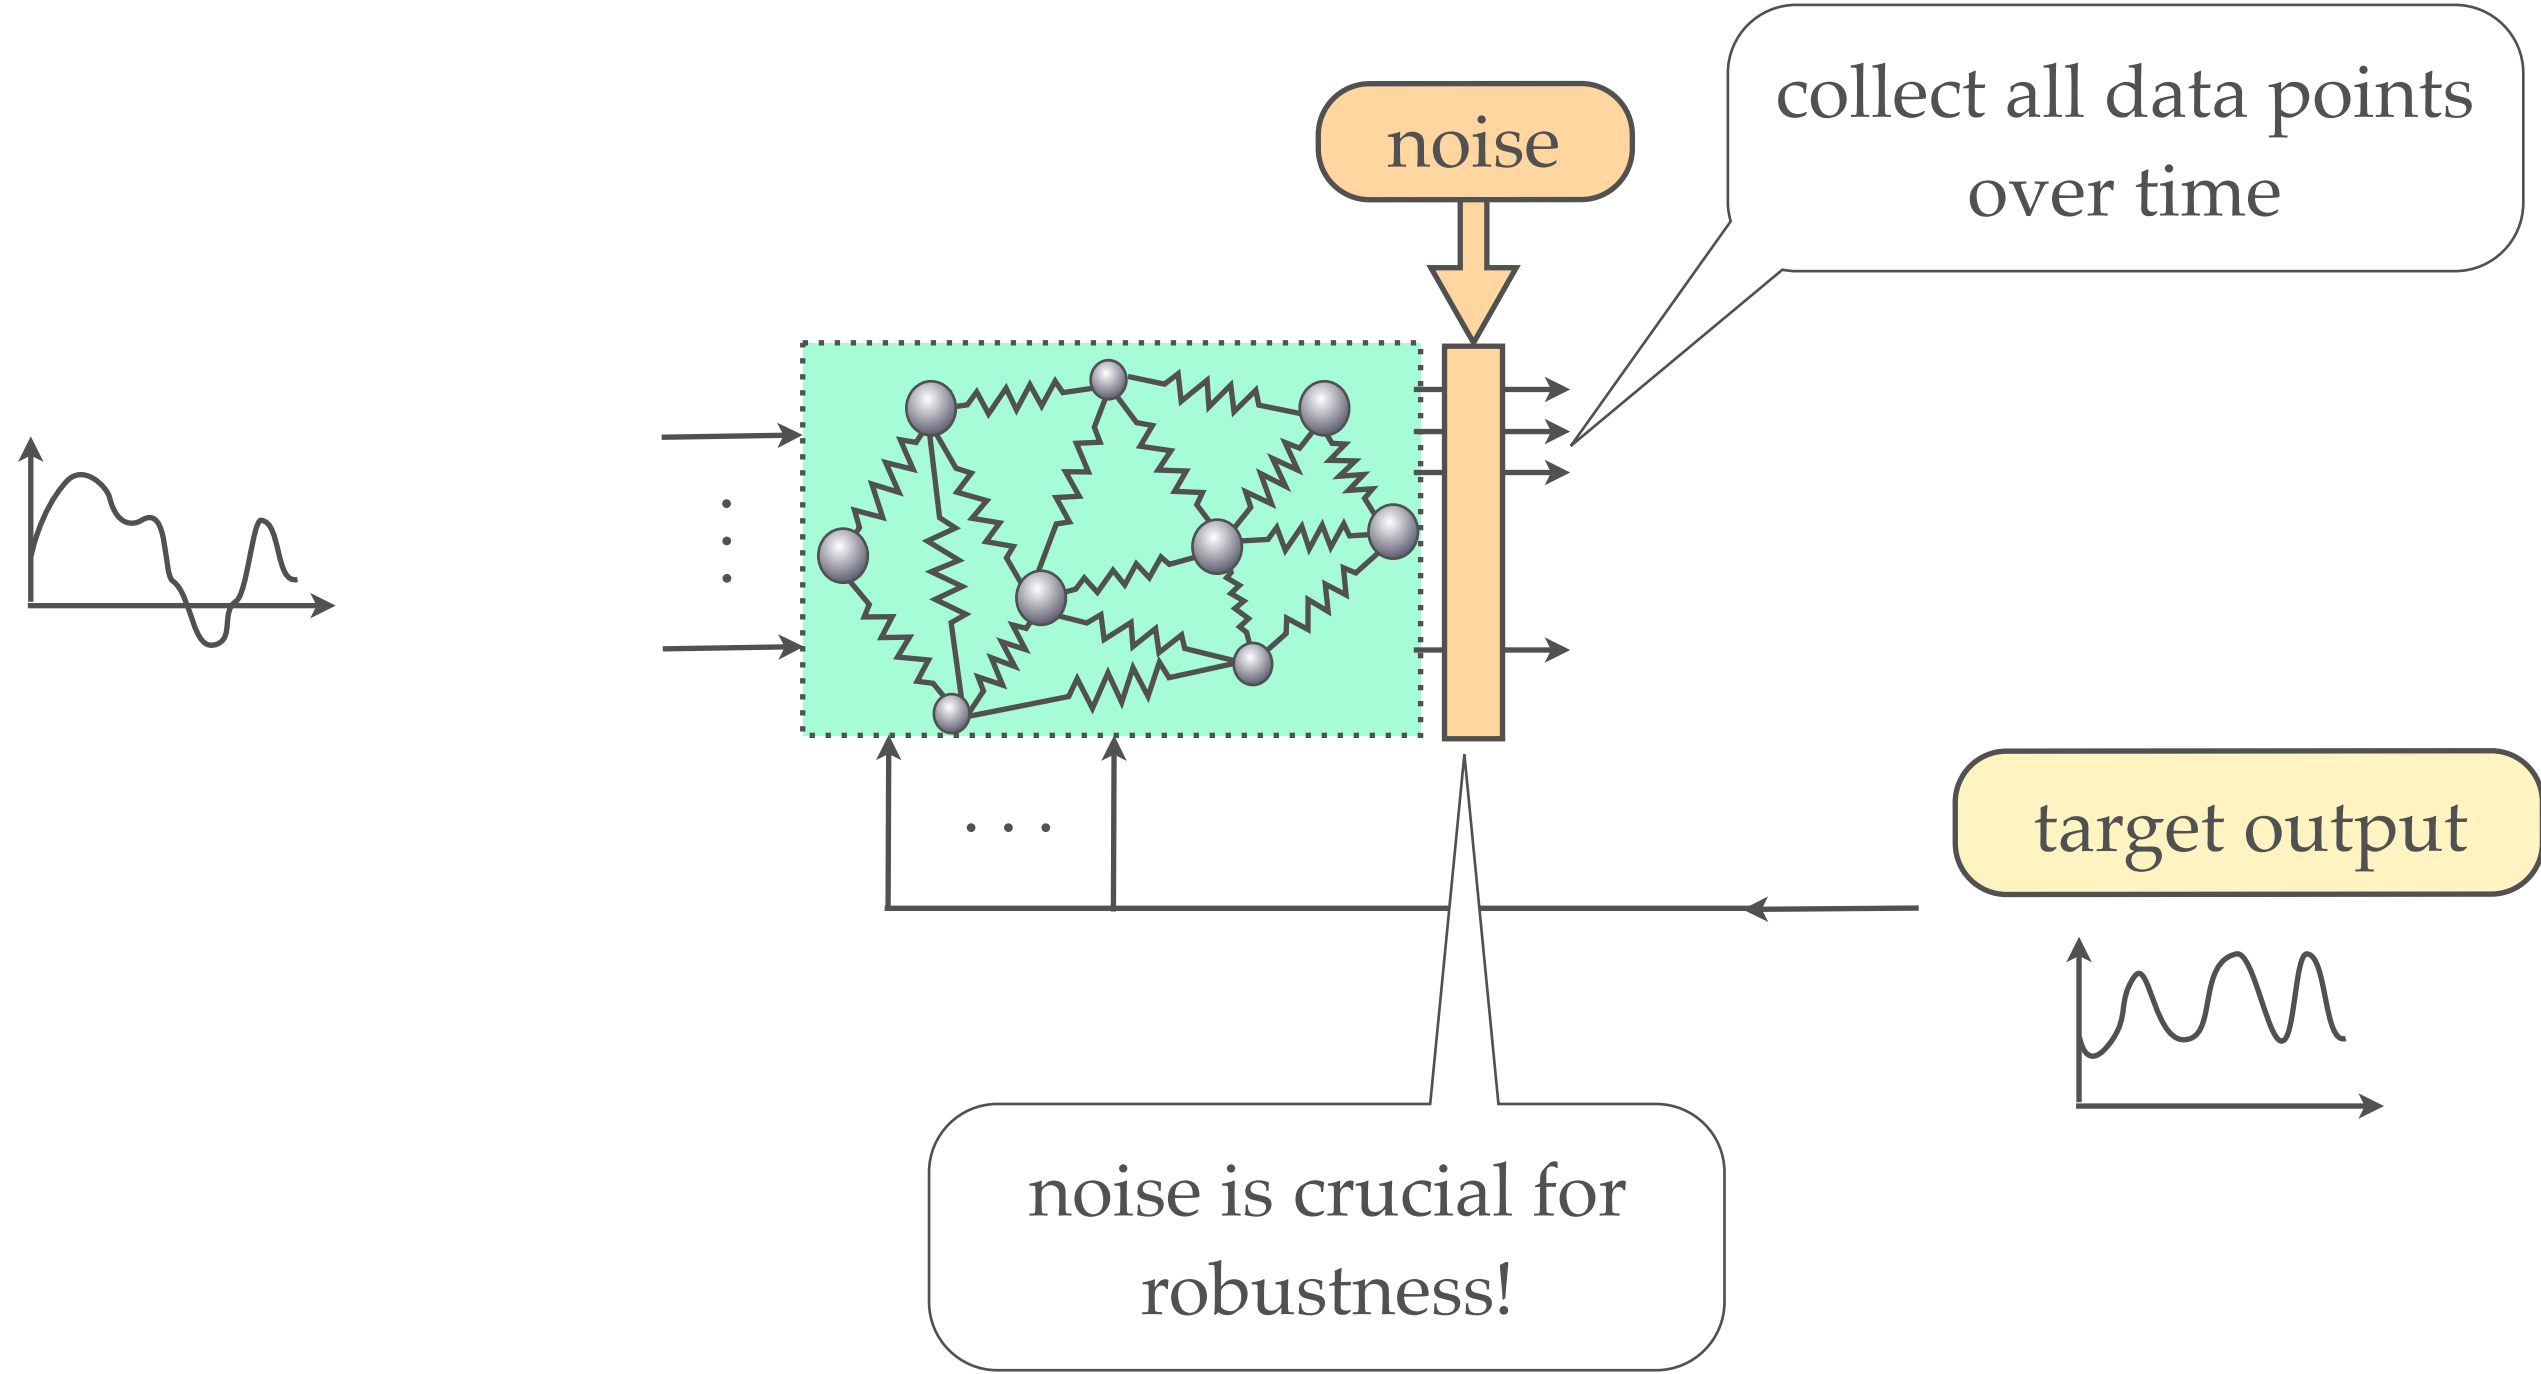

# Simulation Setup

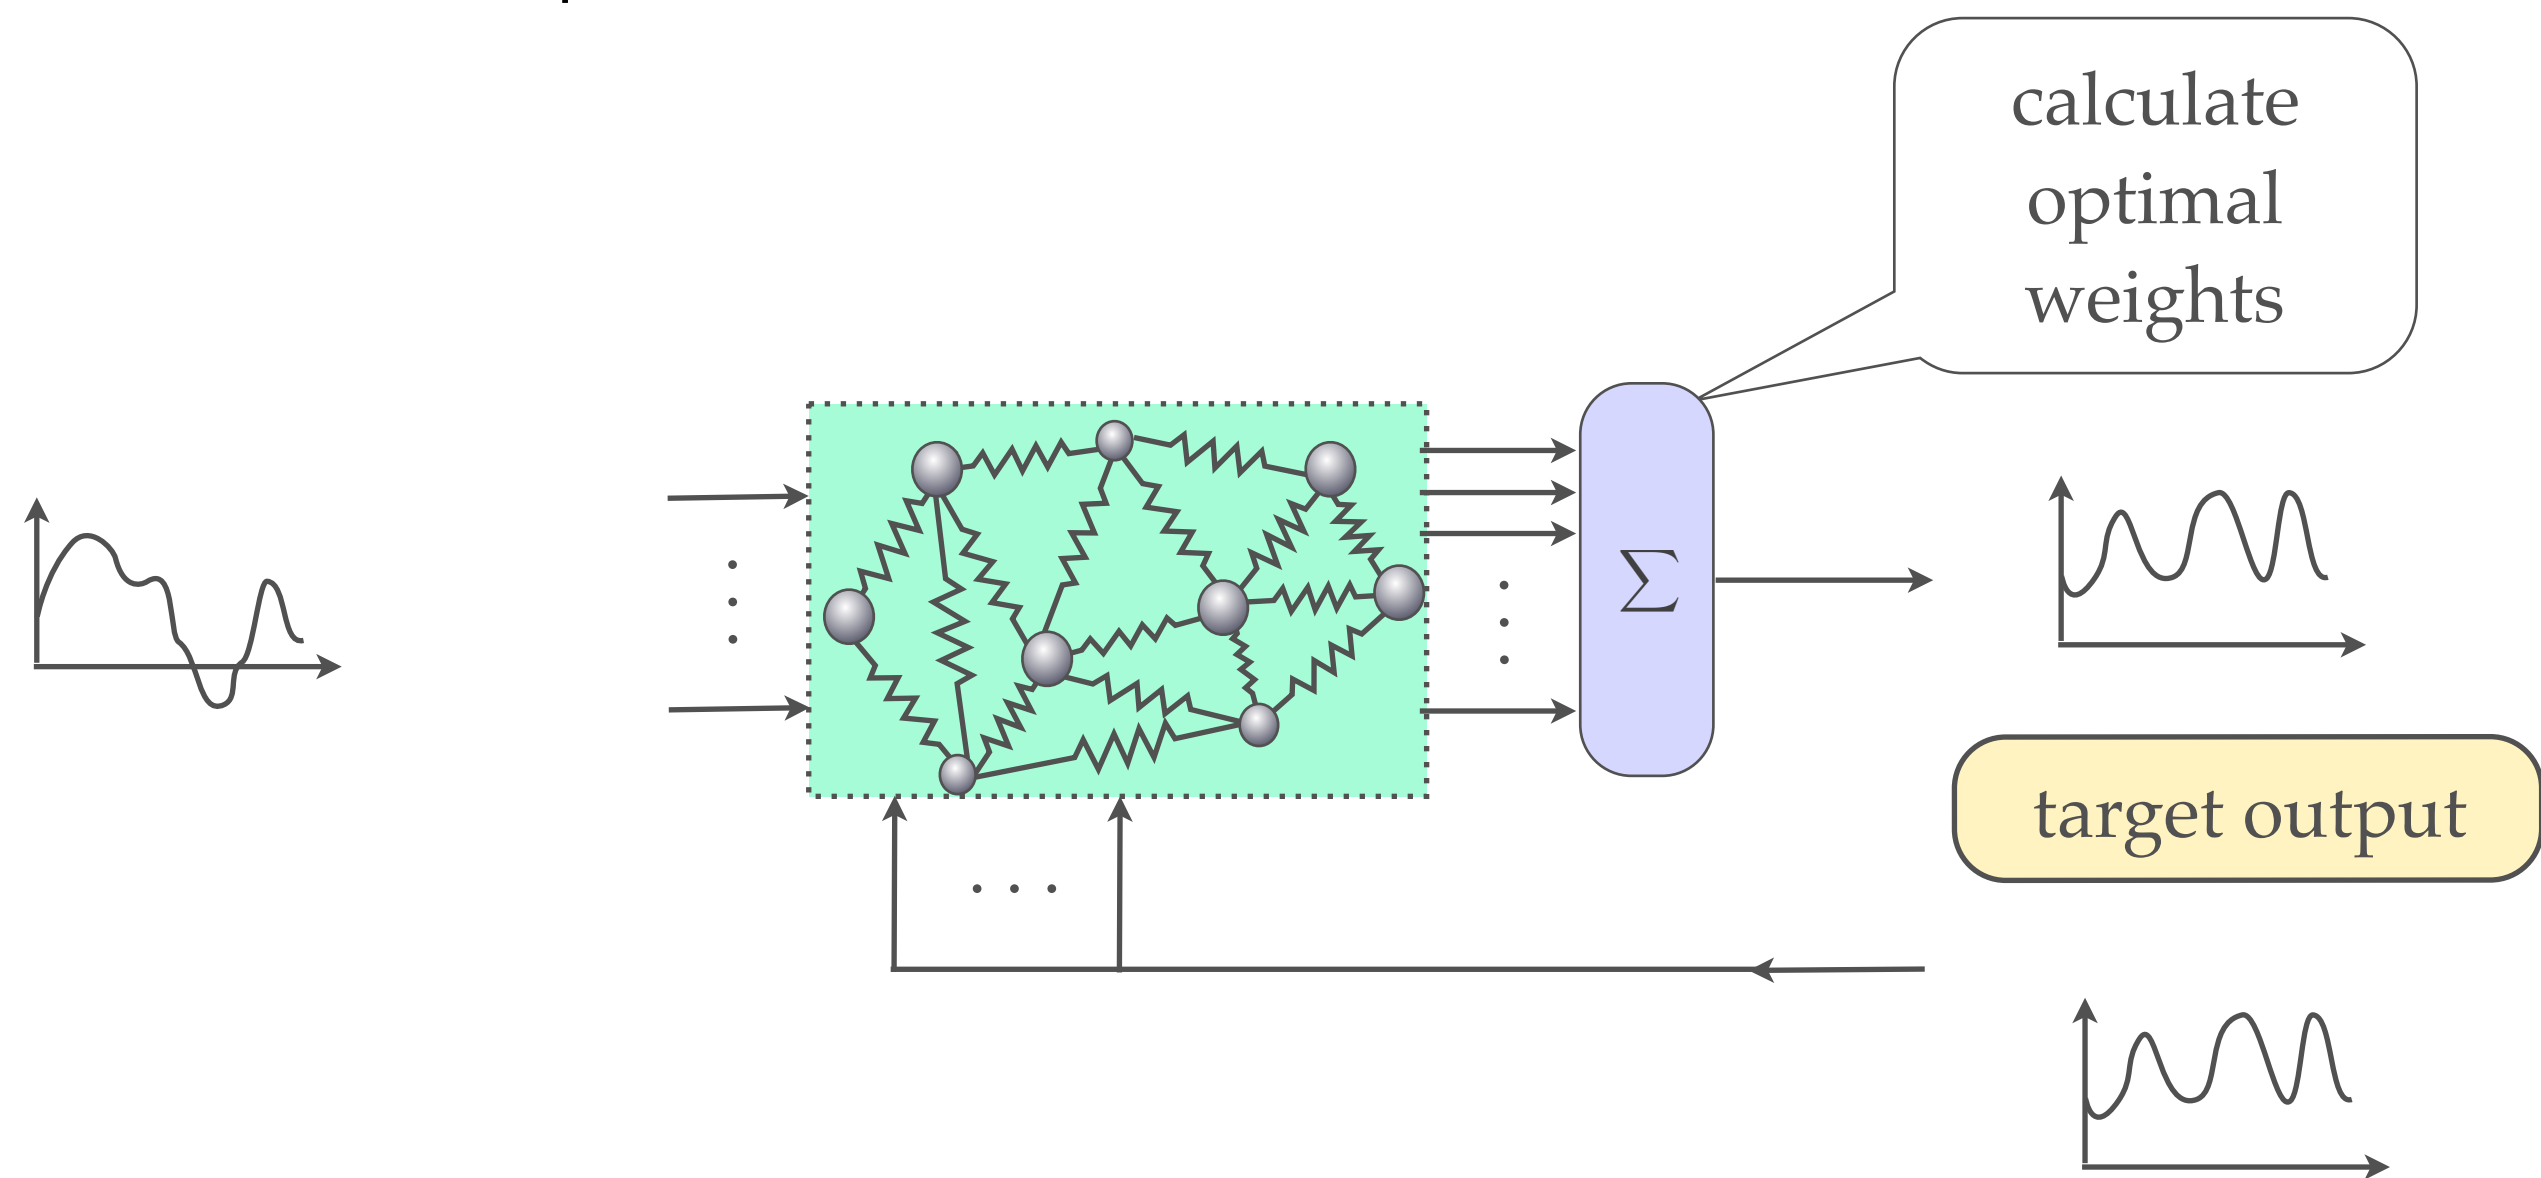

supervised learning setup

# Simulation Setup
